

ASHEVILLE CHRISTIAN

Thank you so much for your willingness to host one of our students during Asheville Christian Academy's Winterim. We are grateful for the investment you will make in this student's life during the week of **March 4 – 8, 2019 (Monday-Friday.)**

We are grateful for this internship program because it provides students with exposure to a career field they are potentially interested in pursuing and increases their professional contact with their communities. They have such an incredible opportunity to walk alongside you for the week and share in the passion you have for what you do on a daily basis.

Our students are expected to complete their internships by spending 25 hours with you over the course of the week. Most will accomplish this by averaging 5 hours per day, however, please adjust that time schedule as needed. I have attached a brief explanation of the internship program. I will contact you in early February with more information.

Please let me know if you have any questions.

Sincerely,

Keri Boer, MSW, LCSW
