Financial Information

By submitting this trip application, I am agreeing to the following:

***The initial \$250 deposit (unless specified otherwise) is non-refundable unless the trip signed up for gets cancelled. Should enough students not register for a particular trip and it gets cancelled, the deposit may be shifted to another trip. The projected cost of the trip (which does not typically include travel meals, snacks, and souvenirs) should not exceed the amount listed above *except for travel issues beyond our control; which may include, but are not limited to airline costs, baggage charges or currency fluctuation increases*. The initial deposit secures hotel and airfare. Any portion of the trip cost, including the initial deposit, that is remitted to the travel agency (or to any supplier we contract with) and not refundable to ACA is also not refundable to you should you be unable (for whatever reason) to go on the trip.**

****The trip balance will be due in six equal monthly payments (as provided above) due the 15th of the month from May through October, 2018. Your family account must remain current through the departure date to avoid exclusion from the trip.**

*****Passport expense is NOT included. *If you already have a passport, you must make sure the expiration date is AFTER October 17, 2019 (six months from the last day of Winterim), or you will need to apply for a new one once the trip is confirmed.***

This signed form and non-refundable deposit should be submitted to the upper school office no later than Friday, April 20, 2018. Registration is not complete until both the deposit and signed application form is received.
